

## Dear Scout Leader,

You have received this letter because you are either the Scout Leader in your Troop, or one of the Assistant Scout Leaders. Only one envelope has been sent to each Troop. If you're not the most appropriate Leader in your Troop (the one who assists the PLs with Troop Council) please pass this letter and the envelope contents on to that Leader.

**What is TC6?** TC6 is a challenge for every Scout Troop in Victoria – to run at least six Troop Council (TC) meetings for 2016.

In the envelope we've included a letter to your Troop Council, as well as a booklet with more information for them. This will generally just be the PLs, though in some smaller Troops may include the APLs. Please get these to your Troop Council asap. Additional copies can also be downloaded from the TC6 website (on the "TC stuff" page).

The website also contains lots of tips and ideas to help your Troop Council get their meetings really happening, as well as a page for SLs ("SL notes") about TCs.

This year we're introducing an ideas sharing platform via Trello. The idea is to get TCs across the State sharing program ideas – keeping things fresh and interesting for everyone. All the login details for your TC are in the attached booklet.

Please encourage and support your PLs to log onto the website and undertake the **TC6 challenge** - a great program and engaged Scouts won't be all you'll get out of it!

The State Scout Council TC6 Team
